

2022 Symposium

Friday, November 4, 2022
9 am – 3:15 pm

Courtyard Springfield Downtown
100 South Fountain Avenue, Springfield OH 45502

Our statewide Oral Health Ohio Symposium brings together individuals, stakeholders, and partners from across diverse professions to learn and work together toward improving equity and oral health integration across health care systems.

Who Should Attend?

Those working to build healthier communities should attend. This includes oral health providers, social workers, primary care providers, nurses, community health workers/promotoras, policy makers, payers, community-based organizations, philanthropy, and healthcare advocates. All are welcome.

Continuing Education

Credits are pending for dentists, dental hygienists, social workers, physicians, physician assistants, nurses, and behavioral health providers.
